Tiny Stars

Parent/Child Horse Riding Class

Designed for young riders, age 2-5. This is a great way for youngsters to gain exposure to horses and riding. Together, children and parents receive instruction on safe horse handling, grooming and tacking. Parents play an integral part as they lead their child in this intimate group setting, with no more than four pairs to a group. A fun way to share the horse riding experience.

Tuesdays from 10am-11:30am

\$45 per session
